

# BD Parata ULTRA™

## Blister Packager

BD Parata ULTRA™ takes the efficiency of your med pass program to the next level so that you have even **more time to focus** on initiatives that grow your business.

# Secure your productivity

The BD Parata ULTRA™ increases productivity with two times the capacity and only 1 ½ times the footprint of the BD Parata XF™, allowing you to fill more scripts per day while helping to increase accuracy and safety.

## Highlighted Features

- Up to 180 single dose cards/hour
- Up to 95 multi-dose cards/hour
- No downtime for replenishment
- Compatible with a wide variety of blister packs
- Two picking units have ability to fill different cards simultaneously
- 508 internal RFID containers, unlimited external containers
- On site calibration in minutes – well adapted for generic changes, stock outs
- Small footprint ≈ 196 sq. ft.

*\* Actual speeds may vary depending on the medication type, card size and day supply dispensed, maintenance, downtime, employee speed, and percent of medications stored in device versus hand filled.*
